

Check out the latest news in our project ERA FABRIC

ERA FABRIC launches an EU-wide stakeholder survey!

Help define the new 'ERA Hubs' standard for advanced knowledge ecosystems across the EU. Your anonymous feedback in this 20-minute survey is crucial.

- Learn: Discover the ERA Hubs concept and its potential impact.
- Share: Tell us about your local research & innovation ecosystem.
- Influence: Be part of shaping future support initiatives.

THE POLICY BRIEF IS NOW AVAILABLE!

Our latest Policy Brief explores the exciting concept of "ERA Hubs" - a novel approach to connect and empower research & innovation across Europe.

What you'll find:

- **Insights into the first year of project work:** Discover how we're defining and exploring ERA Hubs as:
 - Knowledge ecosystems
 - Multi-stakeholder platforms
 - Policy co-creation tools
- **Addressing key challenges:** Understand the current limitations and how we're working to overcome them
